

Requirements for completion

Department of Anatomy

Subject: Anatomy 1

Year of study, Term: First, WT

Study programme: General Medicine

In order to successfully complete the subject as a “prerequisite for registration the subsequent subject Anatomy 2” it is necessary to:

- **75 % active presence in lectures** (three absences without giving a reason are allowed).
- **100% active mandatory participation in practical lessons.** If student is not present in practical lesson (maximum 3 times) due to serious healthy or personal reasons, his/her absence must be excused by the teacher and compensation of the missing practical lesson completed at the Department of Anatomy within ongoing practical lessons/seminars of the other groups until the end of winter semester. Compensation is not allowed one week before the practical test (so-called repetition week) !
- Theoretical and methodical mastery of practical tasks.

In order to successfully complete the subject Anatomy 1 as a “prerequisite for completion the subject Anatomy 2”, the student:

- **is obliged to pass all** ongoing theoretical (written) and practical tests – i.e. 3 theoretical and 3 practical tests (controls) – the total number of points he/she can achieve **from theoretical tests is 120 and from practical tests 60**
- must achieve at least 60% success rate, i.e. 24 points from each theoretical test and 12 points from each practical test.

If the student does not achieve the minimum number of points from each part of the thematic unit, he/she is entitled one retake test at the beginning of the WS examination period and one retake test at the end of the WS examination period, i.e. **2 retake tests**

The student will take the retake test only from that part of the thematic unit in which he/she did not achieve the minimum number of points (24 from the theoretical test and 12 from the practical test)

If the student does not take part in the theoretical and practical tests for any reason (personal, family, health), he/she will not have an alternative date, but will take the given exam on the first or second retake tests

If the student does not take part in the first or second retake tests for any reason, he/she **is not entitled** to a replacement date

Other conditions:

- A student who does not justify his non-participation in writing the tests in accordance with the established rules, does not achieve at least 60% of the theoretical and practical tests (individually) and does not succeed even in the retaken term, will be automatically evaluated with the grade Fx – "failed".
- Continuous control tests are evaluated based on the number of points achieved (%) with evaluation according to the Study Regulations of the UPJŠ in Košice, Faculty of Medicine, II. part, Art. 13, paragraph 4.
- Final credit rating "passed A to E"
- The final assessment takes into account the results of the continuous assessment
