

Erasmus+ student mobilities in programme countries – 2nd Call for the academic year 2021/2022

Study

Mobility implementation period:

Long-term mobility: summer semester of the 2021/2022 academic year

Short-term mobility for PhD students and Blended Intensive Programme: according to the work plan of the PhD student/BIP, no later than 31.8.2022

Types of study mobility:

- long-term study mobility with min. duration of 2 months (for all levels of study)
- long-term study mobility combined with a traineeship with min. duration of 2 months of the study part (for all levels of study)
- short-term mobility for PhD students for study lasting 5-30 days (only for PhD students)
- short-term mobility for students within the framework of a Blended Intensive Programme (BIP) (according to the target group of the ZIP)

Important deadlines:

Long-term mobility: students need to apply for a long-term study mobility at their faculties/departments/institutes by **8.10.2021**

Short-term mobility: as this is a new type of mobility, the university has so far set three indicative deadlines for the collection of applications, which can be amended during the academic year with additional dates based on the needs of PhD students and ZIP organizers / participants:

	The proposed deadlines for the submission of applications at the individual faculties / departments / institutes *:	Term of the earliest possible departure:
1 st phase	08.10.2021	18.10.2021
2 nd phase	14.02.2022	28.02.2022
3 rd phase	09.05.2022	23.05.2022

!!!IMPORTANT!!!

* The dates and conditions of the call and selection will be specified by the faculties/institutes/departments. For more information, please contact your faculty/departmental/institute [coordinator](#).

Further information:

- The mobilities of this call may be implemented in the following countries:

PROGRAMME COUNTRIES	
EU Member States	Belgium, Bulgaria, Czech Republic, Denmark, Germany, Estonia, Ireland, Greece, Spain, France, Croatia, Italy, Cyprus, Latvia, Lithuania, Luxemburg, Hungary, Malta, Netherlands, Austria, Poland, Portugal, Romania, Slovenia, Finland, Sweden
Programme countries that are not members of the EU	the Republic of North Macedonia, Serbia, Iceland, Lichtenstein, Norway, Turkey

- The student mobilities for the purpose of study and within a BIP are governed by bilateral agreements, which contain the exact number of student mobilities for a given study field, with the exact length of the stay. The host university must be a higher education institution of a country participating in the Erasmus+ program with an assigned Erasmus Charter for Higher Education (ECHE). More detailed information on bilateral agreements for the individual departments will be provided by the faculty (departmental, institute) Erasmus coordinators as well as by the staff of the International Relations Office of the Rectorate of UPJŠ. The current list of partner universities: <https://www.upjs.sk/en/university/international-relations/erasmus-plus-mobilities/information/>.
- Situations, which are mainly linked to the epidemiological situation and which should require an exception to the rules of this call, are evaluated by the Erasmus Commission of the university (e.g. postponing the original mobility period to a period which no longer falls within the implementation period of this call).
- Grants:

A. Basic rates of individual support for students for a <u>long-term mobility</u> and top-ups:	
Target country	Grant/month - study mobility
Denmark, Finland, Ireland, Iceland, Lichtenstein, Luxemburg, Norway, Sweden	520
Belgium, Cyprus, France, Greece, Netherlands, Malta, Germany, Portugal, Austria, Spain, Italy	520
Bulgaria, Croatia, Czech Republic, Estonia, Lithuania, Latvia, Hungary, Slovenia, Poland, Romania, the Republic of North Macedonia, Serbia, Turkey	470
The mobility participants with fewer opportunities are entitled to a top-up amount of € 250 / month above the basic grant.	
Students can opt for green travel. In this case, they will receive a single contribution of EUR 50 as a top-up to the individual support and, if necessary, a maximum of 4 days of additional individual support to cover travel days for a return trip.	

B. Basic rates of individual support for students for a short-term mobility and top-ups:

Participants of short-term mobilities (5-30 days) are entitled to individual support for physical mobilities, including travel days, regardless of the target country:

Target country	Day 1-14	Day 15-30
	Grant/day	Grant/day
All programme countries	70	50

Mobility participants with fewer opportunities are entitled to a top-up amount of € 100 above the basic rate for a physical mobility lasting 5-14 days and of € 150 for a physical mobility lasting 15-30 days.

Support for travel costs is granted to participants with fewer opportunities. The travel grant is covered by a special range of fixed amounts according to the distance bands valid for the whole program:

Distance band	Standard travel	Green travel
From 10 to 99 km:	23 EUR/participant	
From 100 to 499 km	180 EUR/participant	210 EUR/participant
From 500 to 1 999 km:	275 EUR/participant	320 EUR /participant
From 2 000 to 2 999 km:	360 EUR/participant	410 EUR /participant
From 3 000 to 3 999 km:	530 EUR/participant	610 EUR /participant
From 4 000 to 7 999 km:	820 EUR/participant	
8 000 km or more:	1 500 EUR/participant	

- Types of support for the students with fewer opportunities – Erasmus+ (2021):

Group	Description	Type of support	Proof possibilities
Disability	As a person with a severe health disability (hereinafter referred as a person with a SHD) is considered a person with a functional impairment rate of at least 50% .	Top-up and real costs (if top-up is not enough)	ŤZP card (Disability card)
Health problems	As a person with a health problem is considered a person with a chronic illness or psychiatric illness.	Top-up	Medical report and/or financial contribution decision from ÚPSVaR (labor office) and/or a student with special needs status - Counseling Center report
Economic barriers	• low standard of living, low income (eg. family in social need) • dependence on the social security system (eg. orphan's pensioner, unemployment benefits)	Top-up	Social scholarship and/or - confirmation of material need from the ÚPSVaR (labor office)

Social barriers	Social adaptation difficulties: <ul style="list-style-type: none"> • a single parent with a child (ie. a single woman or a single man who is permanently taking care for a child under the age of 15), • discrimination barriers 	Top-up	Depending on the situation: Statutory declaration
Others	Different types of barriers (eg. ethnic origin, migrants, etc.) - depending on the university's decision	Top-up	Depending on the situation: Statutory declaration
