

General Information			
Course name	Prague Linguistic School	ECTS Credits	3
		Semester	winter
Aims			
Students are expected to elaborate on the major ideas of the Prague Linguistic School and update its message in the light of the current linguistic conceptions in various linguistic branches.			
Contents			
The cycle of lectures is aimed to clarify the significance and position of the Prague Linguistic School in the history of linguistics, surveying its origination, major linguistic concepts of its outstanding representatives (Mathesius, Trubečková, Jakobson, Trnka, Skalička, Vachek, Firbas, Dušková) and their contribution to the respective linguistic disciplines.			
Evaluation			
Active attendance of seminars, Final written assignment in selected topics - 65% Pass
