Thaiszia publishes

- (a) scientific papers in all fields of Botany, preferably in biosystematics, taxonomy, floristics, phytogeography, phytocoenology, ecology, ecophysiology, paleobotany and karyology.
- (b) critical reviews of various contemporary botanical topics of international interest
- (c) papers dealing with history of botany
- (d) botanical publication reviews
- (e) other contributions relevant to botanical research and life

Thaiszia exclusively publishes papers presented in English. Authors are responsible for the linguistic correctness of the papers. Contributions are accepted after being refereed, and provided that they are approved by Editorial Board having the right to disapprove the paper.
