Dear students,  
we would like to kindly inform you that the services of University Counselling Centre UNIPOC are not available during summer (months July and August 2019). This does not apply to career counselling, which remains available even during summer (upon prior agreement at [unipoc@upjs.sk](mailto:unipoc@upjs.sk)).

We wish you a nice summer and look forward to seeing you in September!

Veronika Zibrinyiová, PhD.  
director UNIPOC
