UNIVERSITY COUNSELLING CENTRE

The UNIPOC University Counselling Centre is a specialised unit of Pavol Jozef Šafárik University in Košice for providing counselling to UPJŠ in Košice students. Students have access to free psychological, career, social, legal, and effective learning counselling. UNIPOC also provides support to and care of students with specific needs.

In the context of the development of career services and career counselling, our aim is to provide students with practical experience and contact with employers, expert advice on applying for jobs and attractive courses in competence development. Thanks to our long-term cooperation with employers, we have been successfully pursuing this objective for several years.

In the field of career counselling, we provide students with up-to-date information on the labour market, work with them to enhance their self-knowledge, develop key competences, and put them in touch with work experience, employers and job vacancies. We organise periodic activities, such as Career Day and Internship Day, as well as a number of topical face-to-face and online activities in both the Slovak and the English languages.

CAREER CLUB UPJŠ

Pavol Jozef Šafárik University in Košice aims to be an internationally recognized institution. We closely monitor trends and developments in career services at universities abroad. Our goal is to create a platform for students and graduates of Pavol Jozef Šafárik University in Košice where they can access information and, most importantly, high-quality opportunities for their career development. At the same time, we strive to make it easier for employers to connect with students and graduates from a prestigious university.

To achieve this, we have established the UPJŠ Career Club. The purpose of this unique club is to foster long-term collaboration between the University and employers to enhance the readiness of students for the labor market and to create opportunities for them to apply their potential effectively. Ideally, this collaboration should result in skilled students and graduates finding positions that match their abilities and aspirations.

The benefits of membership include:

1. Priority sharing of job offers via the Academic Information System AiS2: The opportunity to submit job offers and internships, which will be published in AiS and accessible exclusively to UPJŠ students and graduates. Job offers and internships will be tailored to relevant Faculties or study programs.

2. Exclusive 10% discount on registration fees for our events, such as career fairs (Internship Day, Career Day), which allow you to showcase your company and connect with talented students and graduates.

3. Advertising and promotional opportunities: Leverage University platforms to effectively communicate with students and future graduates, including:

- Featuring club members on the UNIPOC website with active links to company websites.
- Sharing your information on UNIPOC social media channels (Facebook, Instagram).
- Posting flyers on University campuses.
- Promoting club members in the University magazine by agreement.
- Reserving UNIPOC spaces for approved webinars, events, interviews with students, and other recruitment activities.

4. Regular updates on University news and alumni developments: Receive the University magazine *Universitas Šafarikiana* and the UPJŠ Career Club informational brochure.

5. Direct communication with students and graduates: Once a year, you can inform students and alumni about job opportunities, internships, or activities organized by your company at UPJŠ via a group email sent to all UPJŠ students.

How can members of the UPJŠ Career Club get involved?

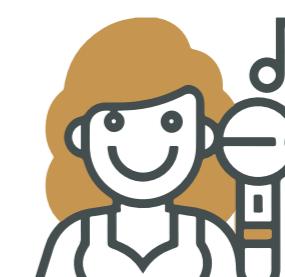

In the spirit of mutual cooperation and to provide our students with valuable practical experience, we welcome offers from club members to:

1. Provide short-term internships – internships can offer students valuable insights and help them understand the practical aspects of their field of study.

2. Organize workplace visits – Allow students to experience the real working environment and operations of your company, fostering their interest and motivation in your industry.

Our vision is to create long-term cooperation that benefits not only employers but also our students and graduates. With your support, they will be better prepared to transition into the workforce.

Membership in the UPJŠ Career Club is free of charge in the academic year 2025/2026. We will filter job offers as our aim is to provide students with high quality job opportunities relevant to their field of study. We reserve the right to reject job offers that do not meet these conditions.
