## Faculty of Medicine

Trieda SNP 1, 040 11 Košice, the Slovak Republic  
<http://www.medic.upjs.sk>

Student's full name: .....

The academic year: .....

### **Nursing Care – clerkship in hospital for the students in the year 2 of General Medicine**

**at .....**

Duration: 2 weeks

An applicant for the summer professional training at your hospital is a second-year medical student of Pavol Jozef Šafárik University in Košice, the Faculty of Medicine. The student is supposed to perform basic diagnostic and therapeutic procedures, including rehabilitation, carried out by a nurse.

During the summer professional training the student is expected to become familiar with the routine nurse's job and her duties in the ward, as well as to approach the patient properly. The student has to work under the supervision of a head nurse and is obliged to do all required duties (hours, clothes, changing), routine jobs, all basic activities in the ward (as given in the enclosed chart).

## **THE SUMMER PROFESSIONAL TRAINING IN NURSING**
