Payment assessments, fee payments

The screenshot displays a web application interface for managing school fees. The main window, titled 'List of fees of a person - LZ040', shows a filter for 'Fees related to study' for the academic year '2015/2016'. A table lists fees with columns for Date, Charge, Fee type, and Date. One entry is visible: 16.09.2015, 11,00, PISIC.

A modal window, titled 'Payment assessments, fee payments - LZ041', is overlaid on the main window. It shows details for a specific charge: 'NAKAJ - Náklady spojené so štúdiom v AJ, EUR, 11.09.2015'. The modal is divided into two sections: 'Payment assessments' and 'Payments'.

Payment assessments table:

Assessment	Due	Note	Rece
	31.08.2015		
	15.02.2016		

Payments table:

Payment	Overpayment	Date
	0,00	14.09.2015
	0,00	16.02.2016

At the bottom of the modal, there are summary fields: 'Assessm. sum' and 'Diff.' both set to 0,00 EUR, and 'Payments sum'.

Payment assessments mean deadlines to pay school fees in both the terms.
Payments mean already paid school fees.
