Handing over thesis  
Upload written thesis for dissertation

**Step 5**

**Step 6**

# Upload thesis

The screenshot shows a web application window titled "Handing over thesis" with a user ID "VSES030". The interface includes several input fields: "Thesis code" (8c13a6ff), "Code, number of field" (5141), and "Thesis status" (ezp in progress). A red callout labeled "Step 7" points to the "Thesis status" field. Below these fields are sections for "Thesis file", "Attachments", "Solemn declaration", "Request for an extension", "Licence agreement for CR", and "Abstract, texts, thesis attributes". An "Upload file" dialog box is open in the foreground, showing a "File:" field with the text "Vybrať súbor" and "Nie je vybratý žiadny súbor". A red callout labeled "Step 8" points to the "Save" button in the dialog. Another red callout labeled "Step 9" points to the "File:" field. The "Save" button is highlighted with a yellow background.

8<sup>th</sup> step – upload thesis to the EZP (thesis must be uploaded in pdf format, max. 25MB).

# Attachments, solemn declaration, standstill period

The screenshot shows a web interface titled "Handing over thesis" with a window ID "VSES030". It contains several sections for thesis management:

- Thesis code:** 8c13a6ff
- Code, number of field:** 5141
- Thesis status:** final in ezp
- Thesis file:** ZP\_random.pdf, 235 KB, Upload date: 04.06.2021, Modified by: [redacted]
- Attachments:** [redacted]
- Solemn declaration:** [redacted]
- Request for an extension of the standstill period:** [redacted]
- Licence agreement for CRZP:** [redacted]
- Abstract, texts, thesis attributes:** Abstract SK: ???, Abstract EN: ???

Three red callout boxes with white text and red borders point to specific elements:

- Step 10:** Points to the "Thesis file" entry.
- Step 11:** Points to the "Attachments" section.
- Step 12:** Points to the "Request for an extension of the standstill period" section.

10<sup>th</sup> step – upload attachments like poster, program...

11<sup>th</sup> step - if a thesis or its parts have not been published proceed to step 12.

12<sup>th</sup> step - if you are interested in the standstill period longer than 12 months have to before signing the license agreement fill in request for an extension of standstill period.

# License agreement for CRZP

**Step 13**

# License agreement for CRZP

The screenshot shows a dialog box titled "Licence agreement for CRZP" with a window ID of "VSES313". It contains several sections of text and form fields. Red callouts point to specific elements:

- Step 18** points to the "OK" button.
- Step 14** points to the checkbox "without standstill period." in section (2).
- Step 15** points to the input field for the standstill period in section (2).
- Step 16** points to the checkbox "even without use" in section (3).
- Step 17** points to the "Place" dropdown menu in the "Signature of the author of the license agreement" section.

14<sup>th</sup> step – choose one from the license agreement’s clause.

15<sup>th</sup> step – standstill period can be max. 12 months. If you want a longer standstill period, you must first proceed to step 12.

16<sup>th</sup> step – it is required to fill this checkbox

17<sup>th</sup> step – select a place from the list

# Mark thesis as a final version

The screenshot shows a web interface titled "Handing over thesis" with a window identifier "VSES030". The interface is organized into several sections, each with a dropdown arrow on the left and a green smiley face icon on the right, indicating a completed step:

- Solemn declaration**: Contains an empty text input field with edit, zoom, and print icons.
- Request for an extension of the standstill period**: Contains an empty text input field with edit and zoom icons.
- Licence agreement for CRZP**: Contains a text field with the value "Date: 04.06.2021, Accessing: without standstill period" and edit, zoom, and print icons.
- Abstract, texts, thesis attributes**: Contains a text area with the following content:
  - Abstract SK: Cieľom práce je vytvoriť prehľad metód bežne použ ...
  - Abstract EN: The aim of the work is to create an overview of t ...
  - Number of pages: 96
  - Keywords SK: diagnostické metódy, posturálna stabilita
  - Keywords EN: Diagnostics Methods, Postural StabilityIt also has edit, zoom, and print icons.
- Mark thesis as final**: Contains a button labeled "Mark thesis as a final version". A red callout box with the text "Step 25" points to this button.
- Test of originality result**: Contains an empty text input field and a print icon.

25<sup>th</sup> step – the thesis must be marked as „final“ and to sent to the CRZP (Central Register of Thesis). After the thesis has been finalized, it is not possible to edit it (or the abstract and license agreement).
