

The screenshot shows the AIS2 website interface. At the top, there is a navigation bar with 'AiS2', 'Contacts', and 'Manuals' on the left, and language selection 'SK EN' on the right. The main header features the 'AiS2' logo and the text 'PAVOL JOZEF ŠAFÁRIK UNIVERSITY IN KOŠICE'. A callout box points to the 'Language version' text. Below the header, there are several sections: 'User login' with fields for 'Username' and 'Password' and a 'Sign In' button; 'Browser test' with a description and a 'Run test' button; 'Project AiS2' with a paragraph of text; and 'Information portal AiS2' with a button. In the center, there is a diagram with three circular images: a globe, a stack of stones, and a group of people. Callouts point to these images with the labels 'unikátnosť', 'tradícia', and 'akademické zázemie'. On the right, there is a section for 'android apka AiS2 študent' with a blue icon and an orange Android robot icon. At the bottom, there is a dark blue footer with the text 'Academic information system AiS2 © UPJŠ Košice 2007-2016' and a light blue bar with 'design © šomšák, 2009 - 2015'.
