

**Subject: MEDICAL BIOCHEMISTRY 1**

**Study year, Term: I., summer (ST)**

**Study programme: Dental Medicine**

**I. For successful completion of the practical exercises is required:**

- Mandatory **100 %** active participation at all of practical exercises/seminars, theoretical and methodical performance of all practical exercises/seminars:
  - monitoring is done at every practice from topics related to the exercise of the week (small tests or oral examination),
  - the questions in the small tests are prepared from the topic taught in the previous week lecture and the exercise topic for the given week.
- To get at least **60 %** on average of total score for ongoing review of the practical exercises/seminars, that includes the evaluations of small tests, protocols, and the accuracy of the results of practical tasks.
- In the case of excused absence practice, student will prepare seminar work in the form of presentation (pptx or poster 10-15 min.) or in written form (4-6 pages, references, Times new Roman 12, line spacing 1.5) on the given topic.

**II. For successful completion of the credits is necessary:**

- Successful completion of the practical exercises/seminars (paragraph I. above).
- To get at least **60 %** on average from: **2 revision tests** (15 open questions) determined for the semester (see *Content of lectures and exercises*), and the evaluation of the **student activities on practical exercises**.
- The student who:
  - had a result  $\geq 90 \%$  on average from all revision tests written in ST – Medical Biochemistry 1 and WT – Medical Biochemistry 2 continues directly to the oral part of final exam,
  - missed the revision test (maximum 1) or have less than 60 % on average can write a **retake revision test** (the extent of ST) **only once** in the last week of the semester.
- Revision tests are evaluated by the scale as follows:

<i>The final achieved points (%)</i>	<i>Classification</i>		
100 – 91	<i>excellent</i>	<b>A</b>	<b>(1)</b>
90 – 83	<i>very good</i>	<b>B</b>	<b>(1-)</b>
82 – 75	<i>good</i>	<b>C</b>	<b>(2)</b>
74 – 67	<i>satisfactory</i>	<b>D</b>	<b>(2-)</b>
66 – 60	<i>sufficient</i>	<b>E</b>	<b>(3)</b>
< 60	<i>fail</i>	<b>Fx</b>	<b>(4)</b>

- The **final classification** includes the evaluation of the written revision tests, and the activity on practical exercises and seminars.
