bring your ISIC card, username and password for ROGO system

Information about test:

1. Test is composed of **100 questions** (topics are in the range of summer semester syllabus).

2. Every question has 4 different answers – **ONLY 1 answer is correct.**

3. Test duration: **30 minutes**

4. Limit to pass: **minimally 60 %**

5. Log in to system:

      Username = same name as for log in to AIS system

      Password = your personal/natal number

password composition:

men: YYMMDD0000 or 0001 or 0002

      (last two numbers of the year, month, day and 0000 or 0001 or 0002)

women: it is like for men, but month is summed + 50 (january = 51, december = 62)

If you have changed the password in AIS system, do not use it for ROGO system! You must use your personal/natal number in ROGO system.

Results will be published in AIS system.
