4. The management structure of the Dean's Office shall consist of sections:
 - (a) Dean,
 - (b) Vice-Deans,
 - (c) Secretary.

5. Within the Dean's section, activities falling within its exclusive competence and activities which it has not delegated outside its competence are carried out. The Dean's section consists of the following departments and units:
 - (a) PR Department,
 - (b) Personnel and Legal Department,
 - (c) Slovacin Department,
 - (d) Department for International Scientific, Research and Teaching Cooperation.
6. In the Secretary's section, activities of an economic-administrative, commercial, economic, financial, operational, and technical nature shall be carried out. The Secretary also provides methodological guidance to the departments and offices falling under the Vice-Deans' section.
7. Departments and desk offices may be headed by heads who direct the activities of their staff and, together with them, are accountable for their activities to the Dean or the Secretary of the Faculty within the meaning of paragraphs 5 and 6 of this Article.
8. The Vice-Deans shall carry out the activities necessary to ensure functionality in the area of competence entrusted to them.

B) Institutes

1. Institutes are the basic units of the Faculty for teaching, educational, and research activities. They ensure the development of theoretical and preclinical medical and non-medical fields of study. In accomplishing their mission, they cooperate with clinics and national and international workplaces and facilities. In carrying out their scientific research activities, they strive for comprehensiveness and interdisciplinary problem-solving.
2. The Institute is headed by a Head. The post of Head of the Institute shall be filled by a selection procedure for a fixed term of up to four years.
3. The details of selection procedures for filling the positions of the heads of institutes are regulated by a separate internal regulation of UPJŠ issued in accordance with Section 15 (1) (d) of the Higher Education Law Act.

C) Clinical Units

1. Clinics are joint units of the UPJŠ FM and the corresponding medical institution, where teaching takes place.
2. Clinical units shall be established, merged, divided, and closed by the Dean and the Director of the relevant medical institution after the opinion of the UPJŠ FM AS.
3. The head of the clinical units is the official. The post of the head of a clinical department shall be filled by a selection procedure for a fixed term of five years.
4. The details of selection procedures for filling the positions of the heads of clinical units shall be regulated by the contract with the relevant medical institution, which shall be approved by the UPJŠ Academic Senate.

D) Scientific Research and Experimental Units

1. Scientific research and experimental units provide scientific and research activities, development of medical disciplines, and relevant scientific fields.
2. Scientific research and experimental units shall be established, merged, divided, and closed by the Dean after discussion and approval in the UPJŠ FM AS.
3. The scientific research and experimental unit shall be headed by a head, who shall be appointed by the Dean of the Faculty after a selection procedure.

4. The details of the selection procedure for filling the positions of the heads of scientific research and experimental units shall be regulated by a separate internal regulation issued pursuant to Section 15(1)(d) of the Higher Education Law Act.

E) Specialised Teaching Facilities

1. Specialised teaching facilities are joint units of the UPJŠ FM and the corresponding medical facility, where teaching takes place.
2. Specialised teaching facilities shall be established, merged, divided, and closed by the Dean and the Director of the relevant medical facility after the opinion of the UPJŠ FM AS.

F) Purpose-built Facilities

1. Purpose-built facilities are Faculty units that provide professional-technical work for all organisational units of the UPJŠ FM.
2. The special-purpose facility is headed by a head. The position of the head of a special-purpose facility shall be filled on the basis of a selection procedure for a fixed term of not more than 4 years.
3. Details of selection procedures for filling the positions of heads of special-purpose facilities are contained in a separate internal regulation of UPJŠ issued pursuant to Section 15(1)(d) of the Higher Education Law Act.

G) Specialised Scientific Research Centres

Specialised scientific research centres include:

1. Centre for Clinical and Preclinical Research MEDIPARK UPJŠ FM (CKPV MEDIPARK).
2. The details, status, and scope of the CKPV MEDIPARK are regulated in the Statute of CKPV MEDIPARK, which shall be issued by the Dean after the approval by the UPJŠ FM AS.
3. The CKPV MEDIPARK is headed by the Director. The position of the CKPV MEDIPARK Director shall be filled by a selection procedure for a fixed term of not more than 4 years.
4. The details of the selection procedure for filling the post of the CKPV MEDIPARK Director shall be regulated by the internal regulation of UPJŠ issued pursuant to Section 15(1)(d) of the Higher Education Law Act.

Article 12

Internal Regulations of the Faculty

1. The internal regulations of the Faculty shall regulate the affairs of the Faculty which fall within its self-governing competence and its relationship to the University, unless they are regulated by law.
2. The Faculty shall issue internal regulations pursuant to Article 37(4) of the UPJŠ Statute and Article 23(4) of the UPJŠ FM Statute. The Faculty may also issue other internal regulations which regulate its affairs in more detail, if the issue of such a regulation is not contrary to a generally binding legal regulation or an internal regulation of the University.
3. The Dean shall have the right to adopt and issue internal regulations (orders, decisions, directives, instructions, and methodological guidelines).
4. The internal regulations of the Faculty shall be in accordance with the internal regulations of the University.

Article 13
Final Provisions

1. On the date of entry into force of these Rules of Organisation of the UPJŠ FM, the validity and effectiveness of the Rules of Organisation of the UPJŠ FM, No.: LEK000669/2022-101420 of 16 February 2022 shall be repealed.
2. Annex No. 1 - Names and registered offices of the units of the UPJŠ FM is an integral part of these Rules of Organisation of the UPJŠ FM.
3. These Rules of Organisation of the UPJŠ FM come into force and effect on 1 July 2023.
