**Conditions for passing the subject Training of competencies for the clinical practice:**

- active participation in the class,
- preparation before the meeting (problem learning, writing homeworks and bringing it to the session),
- final presentation (demonstration of the skills)

**Minimum** 10 students per group

**Maximum** 14 students per group

Students will be divided into into groups at the beginning of the semester (Group 1 (1:45 pm- 3:15 pm), Group 2 (3:30 pm – 5:00 pm))

You can miss **two sessions** of the training. If you miss more than two sessions, you need to compensate it by **writing an essay**

After agreement with all students, **merging the sessions is possible into blocks**
