

Lithuanian University of Health Sciences (located in Kaunas, Lithuania) is pleased to offer a unique opportunity for health sciences students to participate in the **International Summer Scientific Practice 2024**.

This program provides an engaging platform for students to delve into various scientific research topics, which are listed [here](#).

Participation in scientific practice is free of charge.

However, please note that travel, accommodation, and living expenses are not included and should be covered by the trainee.

Third-year or higher students in health sciences who wish to train critical, scientific, systemic, and entrepreneurial thinking are invited to register [here](#) by **April 15, 2024**.

For further details, please visit our website: <https://lsmu.lt/en/events/international-summer-scientific-practice-2024/>

We would greatly appreciate it if you could share this invitation with your students.
