

# Dental medicine - Histology and embryology 1

## Semestral test - special term

### Semestral test - SPECIAL TERM:

**10.5.2024 (friday), start at 14:00, PB lecture room, Faculty of Medicine, UPJŠ, Trieda SNP, Košice**

each student must show **ISIC-card** (identification of student) before the start of Semestral test

### Information about test:

1. Test is composed of **100 questions** (topics are in the range of winter semester syllabus).
2. Each question has 4 different answers – **ONLY 1 answer is correct.**
3. Test duration: **30 minutes**
4. Limit to pass: **minimally 60 %**
5. **Log in to system:**

**Username = same name as for log in to AIS system**

**Password = your personal/natal number**

### password composition:

men: YYMMDD0000 or 0001 or 0002

(last two numbers of the year, month, day and 0000 or 0001 or 0002)

women: it is like for men, but month is summed + 50 (january = 51, december = 62)

If you have changed the password in AIS system, do not use it for ROGO system! You must use your personal/natal number in ROGO system.

**6. Results will be published in AIS system.**

**7. Retake term will be published on the web page of Department of Histology and Embryology.**
