

The final exam in Pharmacology will be held in **full-time** (presence) **form** in September 2025 (**only for repeatedly registered students**).

General Medicine

1. **Written test** using the system ROGO (first attempt). The final exam test will consist of 100 questions, each question has 5 different answers and only one answer is correct; the time for completing the test is 90 minutes.

2. **Oral examination** (only for students who did not pass the written test – second attempt):

The list of questions for oral examination is published at:

<https://www.upjs.sk/public/media/10127/Questions%20-%20GM.pdf>

Dental Medicine

The conditions for the **oral examination** are the same as in the regular exam period.

The list of questions is published at:

<https://www.upjs.sk/public/media/10127/Questions%20-%20DM.pdf>

Evaluation of the test:

91 – 100 % – A – excellent

84 – 90 % – B – very good

75 – 83 % – C – good

68 – 74 % – D – satisfactory

60 – 67 % – E – sufficient

< 60% – Fx – did not pass
