

Requirements for completion

Department of Nursing Care

Subject: Nursing Care

Year of study: ST

Study programme: Dental Medicine

I. Requirements for successful completion of theoretical classes:

- A minimum of 80% attendance at lectures.

II. Requirements for successful completion of practical classes/seminars:

- Mandatory 100% attendance at practical classes.
- In the event of absence from practical classes, procedures are carried out in accordance with the Study Regulations of UPJŠ in Košice, Faculty of Medicine, Part II, Article 12, Paragraph 8.

III. Requirements for successful completion of the course and earning credits:

- Completion of practical classes/seminars.
- Assessment of the student's academic performance within the course is conducted in accordance with the Study Regulations of UPJŠ in Košice, Faculty of Medicine, Part II, Article 13, Paragraphs 1a and 4b.
- Successful completion and demonstration of three practical nursing procedures, achieving at least 60% in each demonstrated procedure.

Assessment of Learning Outcomes:

- 91 - 100 % awarded "Pass – A – "Excellent",
- 84 - 90 % awarded "Pass – B – "Very Good",
- 75 - 83 % awarded "Pass – C – "Good",
- 68 - 74 % awarded "Pass – D – "Satisfactory",
- 60 - 67 % awarded "Pass – E – "Sufficient"

Requirements are not met if the student obtained less than 60%. In such case assesment „did not pass“ is given.
