Step 5

Step 6

Upload thesis

The screenshot shows a web application window titled "Handing over thesis" with a user ID "VSES030". The interface includes several form fields: "Thesis code" (8c13a6ff), "Code, number of field" (5141), and "Thesis status" (ezp in progress). A "Thesis file" section is highlighted in yellow. An "Attachments" section is also visible. A "Solemn declaration" section is partially obscured by an "Upload file" dialog box. The dialog box has a "File:" field with the text "Vybrať súbor" and "Nie je vybratý žiadny súbor", and "Save" and "Cancel" buttons. A "Request for an extension" section is also visible. The "Licence agreement for CR" section is highlighted in yellow. The "Abstract, texts, thesis attributes" section contains "Abstract SK: ???" and "Abstract EN: ???".

Step 7 points to the "Thesis status" field.

Step 8 points to the "Save" button in the "Upload file" dialog.

Step 9 points to the "File:" field in the "Upload file" dialog.

8th step – upload thesis to the EZP (thesis must be uploaded in pdf format, max. 25MB).

Attachments, solemn declaration, standstill period

The screenshot shows a web interface titled "Handing over thesis" with a window ID "VSES030". It contains several sections:

- Thesis code:** 8c13a6ff
- Code, number of field:** 5141
- Thesis status:** final in ezp
- Thesis file:** ZP_random.pdf, 235 KB, Upload date: 04.06.2021, Modified by: [redacted]
- Attachments:** [redacted]
- Solemn declaration:** [redacted]
- Request for an extension of the standstill period:** [redacted]
- Licence agreement for CRZP:** [redacted]
- Abstract, texts, thesis attributes:** Abstract SK: ???, Abstract EN: ???

Three red callout boxes with white text are overlaid on the interface:

- Step 10:** Points to the "Attachments" section.
- Step 11:** Points to the "Solemn declaration" section.
- Step 12:** Points to the "Request for an extension of the standstill period" section.

10th step – upload attachments like poster, program...

11th step - if a thesis or its parts have not been published proceed to step 12.

12th step - if you are interested in the standstill period longer than 12 months have to before signing the license agreement fill in request for an extension of standstill period.

License agreement for CRZP

The screenshot shows a dialog box titled "Licence agreement for CRZP" with the window ID "VSES313". It contains several sections of text and form fields. Red callouts point to specific elements:

- Step 18** points to the "OK" button.
- Step 14** points to the first checkbox in section (2).
- Step 15** points to the input field for the standstill period in section (2).
- Step 16** points to the second checkbox in section (3).
- Step 17** points to the "Place" dropdown menu in the "Signature of the author of the license agreement" section.

Text in the dialog box includes:

(2) The user is authorized to make the work available to the public after its inclusion in ...
 at the earliest after [input] months from the date of the work registrati...
 without standstill period.

(3) The user is authorized to make the work ava...
 only with use
 even without use
such technological measures that will prevent the public from permanently storing the ...
storage media or print it.

(4) A license granted by the author under this contract is non-exclusive and spatially without restriction.

(5) The author grants the user a license for a period of 70 years from the date of regist... in the register.

Signature of the author of the license agreement
 Sign electronically by giving consent through the university information system
Person: [input] Name Surname
Date: [input] 04.06.2021 Place: [dropdown] *<<

Signature of the acquirer of the license agreement
 Sign electronically by giving consent through the university information system
Person: [input]
Date: [input] Place: [input] *<<

14th step – choose one from the license agreement's clause.

15th step – standstill period can be max. 12 months. If you want a longer standstill period, you must first proceed to step 12.

16th step – it is required to fill this checkbox

17th step – select a place from the list

Step 22

Step 23

23rd step – write/insert keywords in the language of the thesis and also in the secondary language (without text „Kľúčové slová“ a „Keywords“).

Mark thesis as a final version

The screenshot shows a web application window titled "Handing over thesis" with a window ID of "VSES030". The interface is organized into several sections, each with a dropdown arrow on the left and a green smiley face icon on the right:

- Solemn declaration**: A text input field with edit, zoom, and print icons.
- Request for an extension of the standstill period**: A text input field with edit and zoom icons.
- Licence agreement for CRZP**: A text input field containing "Date: 04.06.2021, Accessing: without standstill period" with edit, zoom, and print icons.
- Abstract, texts, thesis attributes**: A text area containing:
 - Abstract SK: Cieľom práce je vytvoriť prehľad metód bežne použ ...
 - Abstract EN: The aim of the work is to create an overview of t ...
 - Number of pages: 96
 - Keywords SK: diagnostické metódy, posturálna stabilita
 - Keywords EN: Diagnostics Methods, Postural Stabilitywith edit, zoom, and print icons.
- Mark thesis as final**: A button labeled "Mark thesis as a final version" is highlighted with a red callout box containing the text "Step 25".
- Test of originality result**: A text input field with a print icon.

25th step – the thesis must be marked as „final“ and to sent to the CRZP (Central Register of Thesis). After the thesis has been finalized, it is not possible to edit it (or the abstract and license agreement).
