

Semestral test – 1. retake term for General medicine AY 2025/26

21.5.2026 (Thursday)

start at 8:00

AULA, Faculty of Medicine UPJŠ, Trieda SNP, Košice

bring your ISIC card, username and password for ROGO system

Information about test:

1. Test is composed of **100 questions** (topics are in the range of summer semester syllabus).
2. Every question has 4 different answers – **ONLY 1 answer is correct.**
3. Test duration: **30 minutes**
4. Limit to pass: **minimally 60 %**
5. **Log in to system:**

Username = same name as for log in to AIS system

Password = your personal/natal number

password composition:

men: YYMMDD0000 or 0001 or 0002

(last two numbers of the year, month, day and 0000 or 0001 or 0002)

women: it is like for men, but month is summed + 50 (january = 51, december = 62)

If you have changed the password in AIS system, do not use it for ROGO system! You must use your personal/natal number in ROGO system.

Results from the test will be published in AIS system.

Date of 2. retake term will be published on the web page of Department of Histology and Embryology.
