

Requirements for completion

Department of Pathology of UPJŠ FM and UNLP

Subject: Pathological anatomy 1

Year: Third year of study, WT

Study programme: Dental Medicine

- 0. For registration of subject (prerequisite for registration) is necessary successful completion of the subject Anatomy 2 and Histology and Embryology 2 (an assessment in the range of A-E).**

I. For successful completion/recognition of the subject (prerequisite for subject completion) and earning the credits for the subject, the following is necessary:

Successful completion of practical lessons/seminars.

Successful completion of written revision test.

Attendance on lectures at least 50%.

II. For successful completion of the practical lessons/seminars is required:

- Mandatory 100% participation in practical lessons. Theoretical preparation for the lessons and methodical mastering of practical tasks.
- According to the Study Rules of Procedure at UPJŠ in Košice, Faculty of Medicine, Part II, Art. 12, Paragraph 8, non-participation in practical lessons must be justified.
- In the case of excused absence from practical lesson, the student is required to compensate practical lesson in the form of a seminar work based on the teacher's instructions. During the semester, it is possible to compensate a maximum of three practical lessons.

III. For successful completion of the written revision test is required:

- To get at least 60% from written revision test.
- The date of the written revision tests is scheduled in advance.
- ***Participation in revision test is mandatory. In the case of unexcused absence from the revision tests, a student cannot take part in the retake credit test***, in case of excused absence from the revision test, the student will only participate in the retake credit test.

- If the student does not get the required evaluation from the written revision test (or has excused absence from the revision tests), the student will have the opportunity to write two retake credit tests, which are in the scope of the topics from the entire semester (topic of weeks 1-13). And the dates of which will be determined at the end of the winter term. It is up to the student whether he/she will take advantage of both of the scheduled dates.
- The tests are evaluated based on the number of points (%) achieved according to the Study Rules of Procedure at UPJŠ in Košice, Faculty of Medicine, Part II, Art. 13, Paragraph 4:
 - results 91 - 100 % are evaluated „completed – A- excelent“,
 - results 84 - 90 % are evaluated „completed - B – very good“,
 - results 75 – 83 % are evaluated „completed - C - good“,
 - results 68 - 74 % are evaluated „completed - D - satisfactory“,
 - results 60 - 67 % are evaluated „completed - E - sufficient“.

IV. If the condition in point 0 is not met by the end of the 3rd week of the semester, the student does not continue to fulfil other conditions.

V. The final exam in pathology takes place during the examination period of the summer term.
