Abstracts and full texts have to be submitted in English or Slovak to the address of the Scientific chairman of the scientific committee as noted above: kvetoslava.rimarova@upjs.sk

Authors must adhere to the following guidelines:

Abstract

DEADLINE FOR ABSTRACT SUBMISSION IS 20.8. 2019

- Language: English, Slovak
- Abstract text word limit: 300 words (not counting names and affiliation details)
- Suggested font: MS Word text editor, Times New Roman, size 12 cpi
- Text alignment: Justified
- Spacing between the title, the author(s) and the abstract text: Single
- Line spacing of the text: Single
- Abstract title typed in: UPPER CASE
- The family name(s) of the author(s) should be written in lower case preceded by the first name(s) of the author(s) written in full.(e.g., Robert Polák)
- All authors' affiliation details [e.g., department, organization, or institution, city or town, state (if applicable) and country] should be written under the names, preceded by the correspondence indices.
- The abstract should be divided in the following sections (the subtitles being typed in lower case and in bold): Introduction – Purpose — Method – Results – Discussion and Conclusions, Key words (3-5)
- The text may include standard abbreviations, tables, diagrams and photographs, as long as they remain within the page margins and the total amount of words does not exceed the above mentioned limit (300 words).

Full text

DEADLINE FOR FULL TEXT SUBMISSION IS 30. 9. 2019

The manuscript should contain the following sections: **Title, Authors, Abstract, Key words, Introduction, Purpose, Materials and Methods, Results, Discussion, Conclusions, References, Correspondence Address.**

A title page should contain the title of the article, the full name(s) and titles of the author(s), the precise name and address of the institution where the work was conducted.

Abstract

According to above noted guidelines.

Text: interline 1.5, font Times New Roman, 12 points.

References according to style ISO 690 must be numbered as they occur in the text (not alphabetically). All authors cited in the text must be included in the reference list and vice versa. The surnames of the authors followed by initials should be given. When there are more than three authors, "et al." should be written after the name of the third author.

Format for journals:

SHERRINGTON,C. - TIEDEMANN, A.- CAMERON, I. D. Physical exercise after hip fracture: an evidence overview. In Eur J Phys Rehabil Med., 2011, Vol. 47, No. 2, p. 297- 307.

Format for books:

MÁČEK, M. - RADVANSKÝ, J. Fyziologie a klinické aspekty pohybové aktivity. 1. vyd. Praha: Galén, 2011. 245 s.

Tables and illustrations inserted in the text must have CAPTION and DESCRIPTION in English language. Tables should have the Roman numeration and a caption inserted above a table, in the sequence of appearance of the first quotation in the text. One should ensure whether each table is mentioned in the text. Illustrations should have the Arabian numeration and a caption placed under an illustration, they should be numbered in a sequence of appearance of the first quotation in the text. One should ensure whether each illustration is mentioned in the text. Images in the form of photocopies or photographs must be contrasted.

All figures, graphs, tables and other written materials used in the manuscript already published must be accompanied by a written agreement of the editorship.

The correspondence address should contain full name, exact address with postcode, telephone and e-mail address of the author to whom communications, proofs and requests for reprints should be sent.
