Information on division of GM students groups for pathoanatomy credit tests

Students of general medicine will participate on credit tests during winter term according to the following scheme:

1. Test beginning at 7:00, and ending at 7:50 = groups 1-9
2. Test beginning at 8:00, ending at 8:50 = groups 10-16 and ERASMUS students

This division is valid for all the winter term 2019/2020, for tests written on Mondays as well as on Thursdays.
