

Instructions for distant study for 4th grade GM students

Subject: EPIDEMIOLOGY

Following the Rector`s order No. 03/21 for the implementation of teaching and implementation of work activities in the period from February 8, 2021, at UPJŠ in Košice, teaching in summer semester 2020/21 (lectures, seminars), considering the actual epidemiological situation concerning the COVID-19 infection, will proceed by **the distance form** until further notice.

Lectures and practical lessons will be realized by MS Teams application according to the current timetable (camera and microphone needed). The link to log in to MS Teams will be sent by e-mail to official student addresses (name.surname@student.upjs.sk).

Student, which did not receive the e-mail with the link to the MS Teams, please contact us immediately.

Current information will be published on the website of the Department of epidemiology and will be sent to your official student e-mail addresses.
