

INTERNSHIP FAIR

2019/2020

ABOUT UNIVERSITY

Pavol Jozef Šafárik University in Košice is one of the most important and recognized educational and scientific institutions not only in the Slovak Republic, but also in developed Europe. We teach over 7000 students at all three levels of study in full-time and part-time form. Currently, the University has the following faculties: **Faculty of Medicine, Faculty of Science, Faculty of Law, Faculty of Arts and Faculty of Public Administration** that prepare doctors (also in English), nurses, experts in science, physics, chemistry, geography, mathematics, informatics, teachers, lawyers, experts in public administration, philosophy, languages, ethics, psychology (also in English), history, political science, and social work. In addition to the above mentioned faculties, the University provides a study program in sports through the Institute of Physical Education. Especially due to the interest in studying medical study programs, more than a fifth of our students are from abroad, from more than 40 countries of the world. We do emphasize **interdisciplinarity and the development of key competences**. As the only university in Slovakia, we offer students Certified Interdisciplinary Courses (CIK) in the fields of law, management, ethics and crisis management. Through CIK students can also obtain international certificates TOEFL (English), ECo-C (soft skills - teamwork, selfmarketing, conflict management, communication) and ECDL (digital skills). Our graduates have a good reputation at home and abroad.

INTERNSHIPS

We do realize that, in addition to acquisition of the theoretical knowledge and self-development, it is crucial that our students gain work experience during their studies. Short-term or long-term internships are an ideal platform for achieving this goal. For this reason, we would like to give you the opportunity to promote an offer of current (or future) internships in your company to which our students could apply. We believe that this cooperation will be beneficial, both for you, the employers, and for the university, which will prepare more employable graduates. If you are interested in promoting internships, you can do so in two ways:

1. WITHIN PRINTED AND ELECTRONIC VERSION BROCHURES

distributed throughout the university and in electronic form published on the university's website, the university's social networks and UNIPOC and sent to each student's email address. The brochure will be published in both Slovak and English language.

The publication will not only offer specific internships, but also offer an advice on how to apply for an internship, how to prepare an attractive CV or cover letter, how to apply for Erasmus + internship (until December 2019, our students can apply for such funding in European countries), interviews with business representatives, or successful graduates who have started their careers with internships.

To best meet your expectations and requirements, we offer you the possibility to choose from **3 levels of your company promotion** in a brochure and one additional service. Members of the Career Club have a 10% discount.

Services	1. level 300,-€ incl. VAT	2. level 150,-€ incl. VAT	3. level* 0,-€	Add. page 50,-€ incl. VAT
Possibility to introduce your company and internships to UPJŠ students in a brochure in size:	1xA4	1x A4	1xA5	1xA4
Possibility of publishing an article in a brochure on a topic related to internships (subject to agreement eg interview with an employee, CEO, etc.).	✓	-	-	-
Publishing the company logo with an active link to your website in the introduction of the pdf version of the brochure.	✓	✓	-	-
Publication of the company logo in the introduction of the printed version of the brochure.	✓	✓	✓	-

*is intended for the non-profit sector

For each level you can buy an additional advertising page

2. PERSONALLY DURING THE EVENT INTERNSHIP FAIR

which will take place on the university premises on 27 November 2019 (Wednesday). This is a unique new format of the event for the promotion of internships. This event is a great opportunity to meet quality students and future graduates of our university, introduce them your company and thus build its reputation. At the same time, it is an opportunity to attract potential employees. Please let us know your preliminary interest by email and we will contact you with detailed information.

ABOUT UNIPOC

University Counselling Center (UNIPOC) is a specialized department of the Pavol Jozef Šafárik University in Košice (hereinafter referred to as UPJŠ in Košice) for providing counselling to UPJŠ students in Košice. Psychological, social, legal and career counseling is available to students free of charge. UNIPOC also provides support for students with specific needs. As part of the development of career services and career counselling, our goal is to facilitate students' practical experience and contact with employers, expert advice on applying for employment and attractive competence development courses.
