

OPERATION OF THE UNIVERSITY LIBRARY OF UPJŠ IN KOŠICE FROM 25th NOVEMBER 2021

We would like to inform the users of the University Library of UPJŠ in Košice that, on the basis of the Rector's Order No. 12/2021, the University Library makes its premises and library information services available in a mode VO (fully vaccinated and disease overcome).

In the sense of the above applies:

- entry and stay in the interior of the library is possible only with respirator FFP2;
- use hand disinfectant on entry;
- keep a distance of at least 2 meters in the rows, with the exception of people living in the same household or people with severe disabilities and their assistants;
- the number of users at one time must not exceed the concentration of one user per 15 m².

We recommend monitoring website and the FB page of the University Library of UPJŠ: www.uk.upjs.sk

Upon entering the UL, prove yourself with a valid COVID-19-PASS.
