

**Anatomy for students
at the Center of Simulator and Virtual
Medicine**

**Pavol Jozef Šafárik University, Faculty of Medicine,
tr. SNP 1**

Dear students,

as part of the self-study of the Anatomy course, we recommend that you also use the 3D virtual anatomical table SECTRA at the Center of Simulator and Virtual Medicine.

<https://www.upjs.sk/en/faculty-of-medicine/cvsvm/>

The center is accessible after registering for the relevant date.

Online reservation system:

<https://www.upjs.sk/lekarska-fakulta/csavm/25866/>

The center of Simulator and Virtual Medicine is located on the 3rd floor, II. section (entrance opposite the dean's office).
