

**Conditions from subject Anatomy 2 for Dental medicine
required to enter final examination:**

1. **100% presence in all practical lessons.** Student may have maximum 3 absences in practical lessons for serious health or family reasons that must be apologized by his/her teacher and compensated in the corresponding form determined by the teacher. Student with more than 3 absences is not qualified to continue Anatomy 2.
2. Lectures are provided on-line. Student may have maximum 3 absences in lectures during semester without giving a reason. Student with more than 3 absences is not qualified to continue Anatomy 2.
3. Student must take part in each theoretical and practical test and achieve **minimum 72 points** (it means 60 % from 120 points) obtained as a summary of points from all theoretical and practical tests. Student who did not attend all theoretical and/or practical tests in regular terms and he/she apologize his/her absence, will be given **only one chance** to have the retake test during the 2nd week of examination period (from the curriculum of all summer semester).
4. Student who does not obtain minimum 72 points from all theoretical and practical tests and did not pass even the retake test, will be evaluated by the grade „Fx” without possibility to register to final examination from subject Anatomy 2.
5. Student who did not accomplish conditions for registering to final exam from subject Anatomy 2 according established rules i.e. he/she has more than 3 absences in practical lessons and/or lectures, or did not participate in all theoretical and practical tests and do not excuse, will be evaluated by the grade „X“ without possibility to participate in the retake test.
6. Student with repeated registration of Anatomy 2 **because of failure to comply with conditions to enter exam** is obliged to attend all theoretical and practical tests in accordance with point 3. Repeated student who did not accomplish conditions will be evaluated by the grade „Fx” or „X” respectively, without possibility to register to final examination from subject Anatomy 2 and will be expelled from their study.
7. Student with repeated registration of Anatomy 2 **because of failure in final exam** can enter final exam from Anatomy 2 without having to participate repeatedly in lectures, theoretical and practical tests.
8. Student who did not complete subject Anatomy 1, cannot continue in subject Anatomy 2.
